About Us

Now a days in urban cities, we have lost the charm of being free spirit and be child for a while to pamper our senses, because we dont have time for ourselves.

Thats why in **2005 Mr. Ajay Jain** founded **"Ananya Creations Limited"** & come up with thought that, each one of us in our childhood loved to play with water, so bring back the magic of water play. Now our professionally managed organization who offer the world Class Swimming Pool Installation, Maintenance & Equipment available pan India and overseas also.

We are an **ISO 9001:2015 certified company** & each product we offer to our customers comes with assurance of International Quality Standards with required certifications. Our prime objective is to bring nothing less than the best in industry and keep a track on international market, to serve the latest in technology and comfort.

Our product range includes " Swimming Pool Accessories, Sand Filter, Centrifugal & Dosing Pump, Under Water Lights, Stainless Steel Ladders, Overflow Gratings, Competition Equipment, PoolCleaning Equipment, Air Blowers, Fabricated Pools, Inflatable Pools, Pool Toys, Different Fittings for Different impacts in pools, pool-Chemicals, Fitting & accessories for Sauna, Spa, Jacuzzi & Steams.

Today, our Team of Professional designers also helps us in giving shape to any imagination in respect to swimming pool of our valued customers. We...
